Health and Well-being of Young People in Blackpool

Last Modified 12/02/2025 12:56:02

[Share this page](#)

The School Health Education Unit (SHEU) survey on the health behaviours of young people in Blackpool provides a detailed picture on various behaviours, including drugs, alcohol and tobacco; physical activity; emotional health; relationships and sexual health. 'Supporting the Health and Well-being of Young people in Blackpool' are the summary reports of the SHEU Health Related Behaviour Surveys for 2015, 2017, 2019, 2022 and 2024.
