

Priority four – housing

There are no identified metrics in the strategy, although the joint strategic needs assessment (JSNA) working group has suggested an addendum, with relevant housing-related metrics. These metrics should not be considered part of the joint health and wellbeing strategy.

Milestones – priority 4

Priority 4 – housing	Completed Y/N?
Produce a proposal to undertake a housing stock condition survey. This action has not gone ahead. It may be included in future/wider regeneration work.	N
Evaluate the Decent Homes Standard Enforcement pilot	Y (Mar-25)
Implement the steps outlined in the Blackpool Climate Emergency Plan, particularly those related to housing and the built environment	Progressing
